Thunder Bay, Ontario

Dear James,

Re: Blitz Night:

This letter is one of the very simple ways of expressing our heartfelt thanks to you and your organization for the invaluable service you rendered us on May 4, 1988.

The organizational skills you portrayed and the diverse services you could provide for the city were well demonstrated to us as another Charitable organization.

I am of the understanding that your organization is in the midst of trying to raise \$12,000.00 so your equipment can be up-graded to better service the community. In this venture The Army would be willing to help in any way we can. Even if you would like to use this letter as a reference to other organizations. We are also members of EMO and know very well the services you could provide with the up-graded equipment.

Your assistance and professional approach to helping us, especially was very much appreciated.

May God Bless you in your future endeavours.

Yours in service,

S. Gordon Armstrong
Captain
Public Relations Director
